Marian Kelly

Dear Marian,

I would like to share with you my delight in having you as our entertainer for our company Christmas party on December 9, 2000.

By far, this was the best entertainment Hook Up has had in the seven years that I've worked for them. Many who attended said the same.

I can only attribute it to you, Marian, as your sense of humor stems from everyday experiences to which we can all relate, and your voice and facial expressions added the zest needed to deliver the humor in such an effective way.

I have had requests from those in the audience as to how they can contact you for future engagements that their companies may have. (they were guests who accompanied our Hook Up employees.)

My husband and I sat in the back of the audience and I watched with delight the nearly, non-stop positive response of the entire audience. The audience held top executives as well as support staff, from a wide range of backgrounds. I did not hear ONE negative comment about your presentation.

I can highly recommend you to any small or large company as you deliver quality comedy in a delightful way.

Thank you for your contribution to our company party,

Donna Roycraft  
Executive Assistant or the Chairman and CEO
