Re: 2003 Standup for Cerebral Palsy

Marian Kelly,

I am writing this note to thank you for the wonderful standup comedy performance you gave on Sunday, October 5th at the American Heartland Theatre. Your show was noted by all as the highlight on a great fundraising program filled with laughter that benefits UCP of Greater Kansas City. The executives, board members and staff I talk to at UCP tell me they really enjoyed the hilarious comedy routine you presented. I have reviewed footage from the 4-camera video production we did on that Sunday and can say that your portion of the evening received the best audience response and video shot thereof.

It was a pleasure having the opportunity to work with you on this UCP benefit. Your personable and professional manner both on and off stage was refreshing to work with and you made my job much, much easier. I appreciate and acknowledge the difference you have made to the success of UCP and Standup for Cerebral Palsy through the contribution of your time and talent to make the show great.

Thank you again for your time, consideration, and generous support.

Best wishes for continued success in 2003 and beyond.

Respectfully,

Aaron Gnirk
Executive Producer
