Volunteer Program

Dear Marian,

I want to take a few minutes to thank you for participating in the YWCA Women's Night Out fund-raiser last year, on August 10. The event was a great success for the YWCA and for our volunteers.

As we plan for our 2001 event, I still hear rave reviews about your performance from the volunteers who planned the event and from past attendees. I think your choice of material was very appropriate for the audience, which was primarily professional, working women. You had me in tears that night because I was laughing so hard! I think we are going to have a hard time finding a performer who can top your act; it was a unanimous choice last year in choosing you for our performer.

I wish you the best of luck in your career, and hope that our paths cross again. I know we will keep you in mind for future activities.

Sincerely,

Bridget Koan
